## Show you care

To the editor:

I recently became aware of a Web site, anysoldier.com. Sgt. Brian Horn, a U.S. Army infantry soldier, was in Iraq when he started the idea of any soldier to help care for his soldiers.

He wanted packages and letters to go to those soldiers who were not getting any mail. His idea was so successful that in January of 2004 it was expanded to include any member of the armed forces in harm's way.

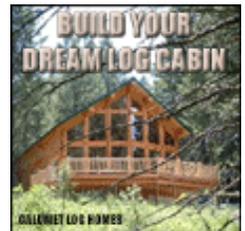

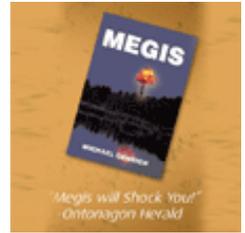

Please take the time to look at this Web side, anysoldier.com.

You could brighten one of our brave soldier's holiday by sending a card, letter or small package.

Overwhelmingly, our soldiers said that letters are greatly appreciated. It is such a wonderful way for us to show our support.
