## About Us

Sergeant Brian Horn from LaPlata, Maryland, an Army Infantry Soldier with the 173rd Airborne Brigade was in the Kirkuk area of Iraq when he started the idea of Any Soldier® to help care for his soldiers. He agreed to distribute packages that came to him with "Attn: Any Soldier" in his address to soldiers who didn't get mail. Brian later completed a tour in Afghanistan and is now home, but AnySoldier.com continues larger than ever.

Any Soldier Inc. started in August 2003 as a simple family effort to help the soldiers in one Army unit; thus, our name. Due to overwhelming requests, on 1 January 2004 the Any Soldier® effort was expanded to include any member of the Armed Forces in harms way.

## How It Works

Visit your local Kroger and make a donation for the troops. Working with AnySoldier.com, they put your packages into the hands of Soldiers who don't get much or any mail first. Everything is shared.

All the Soldiers involved in this effort are military volunteers stationed in areas that are in harm's way.

## Testimonials

"To all whom this may concern, would personally like to thank all of those who have recently contributed their time and efforts in what I believe to be an awe-inspiring and frankly quite dramatic display of support from the home-front. The correspondence and care packages have been coming in at an overwhelming and nearly monumental pace. The "Any Soldier" campaign has seen tears from some, given hope to most, and has been inspirational to us all. Your relentless support has provided the simple reminder that any one of us would proudly die for a grateful nation in our ongoing fight against terrorism." "Freedom is not Free"

Sergeant Brian Horn  
Iraq, Nov 2003

"I couldn't be any more proud to have been apart of such an honorable organization as AnySoldier.com. This is priceless, and I would like to thank all of you who entrusted me to be your contact. To have been able to distribute the mail personally as a contact to soldiers who get next to no mail at all and for that brief moment see the look of hope in their faces of good things to come. The hope that somebody out there does care. That somebody does in fact love them as they deservingly should be loved. The hope that some day their involvement in the fight on terror was to preserve those that believed in them so much through and through, until their fight was done. We fight so that maybe, just maybe your grandchildren won't have to. Pray for us in all that we do."
